JEEP COLLINS

“Blessed are the pure in heart for they will see God.”

Being pure of heart is a very difficult thing. The truth of a matter is often hidden from us because of the influences

that have shaped our opinions about life. Indeed, these influences shape how we interpret scripture. Instead of looking at God’s word and praying for understanding and a willingness to follow it no matter what, we tend to look for loopholes to allow us to do our will.

Oh how imperfect we are and how much it shows to us our need of, not just a Savior, but a Lord to guide us through life. Purify us Lord that we may see and express the truth to a world in desperate need of it.

D. Growing Love

1924-NKS sterling necklace 20” \$290
This necklace pays tribute to some of Jeep’s earlier designs that were big and bold. As much as ever, it maintains the symbolism present in all of Jeep’s designs.

E. Dew Drops New

1934-PS sterling pendant \$95
One of my favorite times of the day is early morning in my garden. Yes, when the dew is still on the roses. This hand wrought piece of silver shaped into a bold leaf design with tiny drops reminds me of the newness of the morning and all the good things it brings to mind. Lam. 3:21-23 *Dana*

F. Kites New

1930-EWS sterling earwires \$59

G. Zinnia New

1933-EWSC sterling/copper earwires \$90

This ring is a simple rose atop a silver band. Named for Rosa who has worked at Jeep Collins for 23 years, Jeep designed this ring specially for her. The Vintage Rose link bracelet or Antique Rose cuff would make a nice set along with the Vintage Rose earrings.

J. 2010 Nativity New

1940-PCS sterling/copper pendant \$120

For years now Jeep has designed a yearly Nativity pendant. The shape and contrasting copper back of this year's piece gives it a different and interesting look. Christmas themed jewelry makes great October and November birthday gifts.

K. The Creche - 2008 Nativity

1884-PWS sterling/wood pendant \$135

I have always been interested in Joan of Arc. A few months ago I began reading about her and my admiration not only grew, but I became obsessed with the idea of fighting for something worthy. I then remembered the Armor of God and how we as Christians are called to fight against the devil on a daily basis. I designed these pieces to remind myself of the constant battle against Satan and his army. You can wear these charms individually on a chain or all three together like me. *Rachel Collins*

K. Sprout
1912-LBBB bronze buckle, leather belt, adjustable 24"-42" and 1 1/8" wide \$150
Belts are a "must have" this fall and a great thing about this classic design is that it is adjustable. Adjusting from 24" to 42" it can be worn at your waist or slung low with your favorite pair of jeans! I think accessories can be the icing on the cake... perhaps giving that last year's outfit the "sprucing up" that it needs. *Dana*
