JEEP  COLLINS

It was very exciting for us to hear from many of you in response to our email asking you to send your favorite Bible verses that would become the themes for our new scripture pendants. The new pieces are just the beginning of what we hope to produce

in the future. As you know, the Bible speaks to us individually depending on where we are in our walk with Christ. Sometimes we need comfort, sometimes discipline, but we always need to know the mind of God. I think my favorite comes from Jesus' *Sermon on the Mount* found in Matthew 5:8. *Blessed are the pure in heart, for they will see God.* If we can ever rid ourselves of our prejudices, habits, experiences, and ourselves in general, then we will be in a better place to hear Him.

May God bless you all,

**Wear and Share**  
 by Dana Collins

The thought behind these new Bible scripture pendants is that they serve as testimony of your faith and a possible opportunity for you to share that faith with others as you wear them.

This has been a very uplifting and inspirational direction for us here at Jeep Collins. We are blessed and we hope that as you wear these pieces you too will feel (and share) the blessing...
